

RESPECT WORKS HERE

Each of us deserves a safe, respectful workplace. Help prevent racial harassment:

- Consider how others might interpret the things you say and do. If someone is offended, apologize and commit to doing better.
- Be aware of your own biases and prejudices and how they might affect your words and actions.
- Treat every person as you would want to be treated – fairly and respectfully.

Take a stand against racial harassment. If you see or experience this behavior – or harassment of any kind – speak up in the moment or report it.
