FAQ:

2022 NAVEX Customer Excellence Awards

■ Nominations

Q: When will nominations be open?

Nominations open May 11, 2022, and will close July 29, 2022.

Q: Who is qualified to nominate?

All current NAVEX customers are welcome to nominate their organization.

Q: If my organization was nominated last year, can it be nominated again this year?

Yes. Organizations that were nominated, a finalist, or won in 2021 can nominate their program again in 2022. If your organization won in 2021, please nominate your organization for another category.

Q: Can I nominate my organization for more than one category?

For the best results, we recommend choosing one category. If you would like to nominate your organization for multiple categories (E&C, IRM, and/or ESG) we suggest nominating for the GRC Program of the Year category.

Q: What should I expect after submitting my nomination?

After submitting your nomination, you will receive a confirmation email with further details on the next steps – including, but not limited to, the timing and manner of finalist announcement and details about the NAVEX Next Global Virtual Conference in September 2022, where the winners will be announced.

Q: I submitted my nomination, but forgot to include something. Can I send it to someone at NAVEX?

Yes. For all inquiries about the NAVEX Customer Excellence Awards, please reach out to MaryAnn Rains at mellis@navex.com.

Finalists and Winners Announcements

Q: When will NAVEX announce the finalists?

NAVEX will publicly announce finalists in August 2022.

Q: How will I know if my organization is a finalist?

Finalists will be notified by email immediately following public announcement via NAVEX's social media and press release.

Q: When will NAVEX announce the winners?

NAVEX will announce the winners at the NAVEX Next Global Virtual Conference in September 2022. Register here to attend/save the date.
