Empower Employees to Speak Up

NAVEX[®]

Speaking up after witnessing unethical behavior takes courage, and your organization needs employees who feel empowered to report their concerns without retaliation. Organizations need to provide employees a safe way bring their concerns to the surface that ensures a consistent process for everyone and streamlines your response.

• The NAVEX One[®] GRC Platform provides options for employees to submit a concern in the manner they are most comfortable, and one place to easily view report status and access company policies.
