

# NAVEX Engage Free Course Promotion

## Expand Your Training Library to Three Courses for the Price of Two

Create a culture of ethics and respect by educating your employees on additional compliance best practices including topics such as GDPR, conflicts of interest or diversity and inclusion. Training on more topics throughout the year helps you to build a robust training program that better aligns with the DOJ guidance and helps you reach your organizational goals.

**For a limited time, when you purchase an additional training course, you will receive a third training course of your choice for free!**

### Now Is The Time to Grow Your Training Library:

- Build a solid legal defense and avoid costly litigation and reputational damage
- Reinforce expected behaviors that align with your company's values
- Advance your workplace culture and improve employee retention
- Save thousands of dollars and increase your training ROI with this incredible deal

### Recommended Training Plan:

This example shows a training curriculum in which all learners must receive training on two core topics, Code of Conduct and Workplace Harassment, and specific audiences receive additional role-based training. Use this offer to bolster your training curriculum and educate your employees on topics most important to your organization like the courses in the list below:
