

NAVEX Engage Free Course Promotion

Expand Your Training Library to Three Courses for the Price of Two

Create a culture of ethics and respect by educating your employees on additional compliance best practices including topics such as GDPR, conflicts of interest or diversity and inclusion. Training on more topics throughout the year helps you to build a robust training program that better aligns with the DOJ guidance and helps you reach your organizational goals.

For a limited time, when you purchase an additional training course, you will receive a third training course of your choice for free!

Now Is The Time to Grow Your Training Library:

- Build a solid legal defense and avoid costly litigation and reputational damage
- Reinforce expected behaviors that align with your company's values
- Advance your workplace culture and improve employee retention
- Save thousands of dollars and increase your training ROI with this incredible deal

Recommended Training Plan:

Workplace Harassment Prevention

Creating a workplace culture where employees feel safe and respected means designing and implementing a workplace harassment prevention curriculum that adapts to emerging issues. Successful training programs most often enhance their harassment training with courses from the list below:
