

## FAQ: 2024 NAVEX Excellence Awards

### Nominations

**Q: When will nominations be open?**

Nominations open May 2, 2024 and will close July 19, 2024.

**Q: Who is qualified to nominate?**

All current NAVEX customers are welcome to nominate their organization.

**Q: If my organization was nominated last year, can it be nominated again this year?**

Yes. If your organization has won an award previously, we recommend applying for a different category.

**Q: Can I nominate my organization for more than one category?**

You can, however for the best results we recommend choosing one category. As an example, if you would like to nominate your organization for both the Ethics & Compliance and the Risk Management categories, we suggest instead nominating your organization for the Risk & Compliance Program of the Year category which is comprehensive of both Ethics & Compliance and Risk Management.

**Q: What should I expect after submitting my nomination?**

After submitting your nomination you will receive a confirmation email within 7 days that includes details on next steps.

**Q: I submitted my nomination but forgot to include something. Can I send it to someone at NAVEX?**

Yes. For all inquiries about the NAVEX Excellence Awards, contact Elizabeth Gambee, [elizabeth.gambee@navex.com](mailto:elizabeth.gambee@navex.com).

### Finalists and Winners Announcements

**Q: When will NAVEX announce the finalists?**

NAVEX will publicly announce finalists mid-August via press release and social media. Finalists will also be notified directly.

**Q: When will NAVEX announce the winners?**

Winners will be notified in late August prior to the public announcement. NAVEX will announce the winners via press release, website and social media in early September. Winners will be asked to record a brief 30-60 second acceptance video for the social media campaign associated with the public announcement.

**Q: What can I expect if my organization wins?**

As a NAVEX Excellence Award winner your organization's authorized logo will be displayed on the awards page on [navex.com](http://navex.com), and we will promote your award and acceptance remarks as part of our social media campaign. You will also receive a physical trophy to display and a digital badge to feature on your website.
